It is contemplated under the Subscription Agreement that upon Completion, parties will enter into a shareholders agreement in relation to the Target.

### **Information of the Target**

The Target is incorporated in the Cayman Islands with limited liability. The Target will implement the Restructuring Exercise whereby it will, directly or indirectly, establish a wholly-foreign owned enterprise in the PRC and such wholly-foreign owned enterprise will enter into certain Contractual Arrangements with the PRC OpCo. The PRC OpCo, a company established in the PRC, is engaged in the business of online car rental services in the PRC.

To the best of the Directors' knowledge, information and belief and having made all reasonable enquiries, each of the Target and its ultimate beneficial owners is an Independent Third Party.

### **REASONS FOR AND THE BENEFITS OF THE POSSIBLE SUBSCRIPTION**

The Group is principally engaged in the research, design, development and sale of digital signal processing (“DSP”) based consumer electronics devices and platforms, including embedded firmware; the provision of solutions and services to customers for their DSP-based consumer electronic devices and platforms; and the trading of electronic components.

While the Group intends to continue the existing business operations, it is also the Group's plan to explore other business opportunities with a view to enhance its growth and future development by leveraging on the experience and network of the executive directors of the Company. The Subscription by Eastern Crystal represents the Group's initial step to implement such plan and to explore other business opportunities.

In view of the increasing demand for car rental services in the PRC, the Directors consider that the Subscription provides an opportunity for the Group to invest in the car rental services market in the PRC, so as to diversify the business and income stream of the Group.

## **GENERAL**

The Subscription does not constitute a notifiable transaction of the Company under Chapter 14 of the Listing Rules as the applicable percentage ratios under Rule 14.07 of the Listing Rules are less than 5%.

**As the Subscription may or may not complete, Shareholders and potential investors are advised to exercise caution when dealing in the Shares.**
